Cleaning and Care:

Wash before and after each use. We recommend hand washing in warm soapy water and rinsing and drying thoroughly. Do not use any bleach-based cleaners or tablets to sterilise or clean your Haakaa products. To sterilise, use a steam steriliser or boil in water for 2-3 minutes. We recommend replacing your child's toothbrush every 3-4 months.

Caution:

Check product condition regularly. Replace if this product shows any signs of damage. Avoid storing near sharp objects. Only soft bristle brushes or soft sponges should be used to clean this product, as hard scourers may scratch the surface. This product is not a toy. Do not use this product for anything other than its intended purpose. Store product in a cool dry place and avoid direct sunlight. Adult supervision is required.
