Cleaning and Care:

Wash before and after each use. We recommend hand washing in lukewarm water (under 30°C) and using a gentle detergent. Alternatively, put into wash bag and machine wash on a cold, delicate setting then allow to drip dry. Iron on a low setting (below 110°C). Not suitable for chlorine, bleach, or dry cleaning. Store in a cool, dry place and avoid direct sunlight when not in use.

Caution:

Instructions:

Place the burp cloth over your shoulder to cover the area where spit-up may occur.

Gently pat or rub your baby's back to help them burp.

Use the cloth to clean any spit-up, then wash according to care instructions.
