**Product Description:**

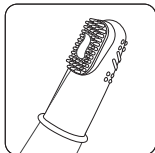

Create an easy, convenient dental routine for your baby with Haakaa's Textured Silicone Finger Toothbrush. Super soft 100% food-grade silicone bristles help your child get used to the sensation of brushing their teeth and gums so that it becomes a fun and essential part of everyday life. Our toothbrush has a double-sided design – one side has soft bristles for cleaning baby's teeth, while the other is textured for massaging delicate gums or cleaning their tongue. Available as a pack of two for convenient use at home or out and about!

**Features:**

- Super soft and flexible silicone bristles help to gently clean little teeth.
- Raised texture on the back cleans baby's tongue and soothes tender teething gums.
- Fits comfortably over your index finger.
- Rounded-edge one-piece design has no joints or cracks, making cleaning simple.
- Convenient two-pack - keep one at home and one in your bag for out and about.
- Made of 100% food-grade silicone.
- Safe in dishwashers, sterilisers and boiling water.
- BPA, PVC and phthalate-free.

**Instructions:**

- 1 Sterilise the finger toothbrush before use according to Cleaning & Care instructions.

- 2 Place the toothbrush over your finger, wet with warm water and apply baby-safe toothpaste to the bristles.\*

- 3 Place your finger in your baby's mouth, rubbing the bristles gently over his/her teeth and gums until clean.

**\*Please note:** Only use small amounts of baby-safe toothpaste after teeth emerge. Follow your dentist's guidelines around the use of toothpaste for children.

**Cleaning and Care:**

Clean before initial use, then clean after each use. Although dishwasher safe, we recommend hand washing this product in warm, soapy water and rinsing and drying thoroughly. To sterilise, use a steam steriliser or boil in water for 2-3 minutes. Do not use bleach-based agents to clean this product. We recommend replacing your child's toothbrush every 3-4 months.

**Caution:**

- Check product condition regularly. Replace if this product shows any signs of damage.
- Do not store near any sharp objects. Hard scourers may scratch the surface.
- This product is not a toy. Do not use this product for anything other than its intended use.
- Store product in a cool, dry place and avoid direct sunlight.
- Adult supervision is required at all times.
- Keep out of reach of children and pets when not in use.
